

## Return form

Is your order not entirely to your liking? That's a shame, but of course you can return it. You have the right to return your order within 14 calendar days (right of withdrawal).

You can return your order at our location in Uden or send it back by post. In case you send it back by post, the costs of the return shipment are for your own account.

Returns proceed as follows:

1. Completely fill out the return form
2. Please return your order in solid, sturdy packaging to the return address listed at the bottom of this page. Please enclose the original packing slip and this return form. Without a fully completed return form we cannot process your return. Instead of sending it, you can also hand in your return at the reception of:

Ezzy's Uden  
Pastoor Spieringsstraat 10a  
5401GT, Uden

For opening hours, please visit: [www.ezzys.nl/zwembad/uden](http://www.ezzys.nl/zwembad/uden). Also take into account the pool's holiday closing days. You can consult these via the aforementioned link.

3. After receiving your return, we will ensure that the money is transferred to your account within 14 days.

### Important!

Returns will only be accepted if products are returned unused, undamaged and with the original packaging and product cards. The right to return expires after 14 calendar days.

Would you rather receive a different product? Then you can return the original order and order the other product via the EasySwim webshop.
